## Photo Fabric

Paper-backed fabric for use with inkjet printers

**EASY AS 1-2-3**

**Print, Peel, and SEW**

**Fabric is soft to the touch! 6 – 8-1/2” x 11” cotton twill – per package**

**Follow the directions on the package for printing and then you are ready to sew!**

- 1. Frame your photo with any 1/8” or 3/16” decorative cording with lip.**

**2. Tips for sewing square corners with lip cord: While your needle is in the down position fabric cut into the lip along side of the zipper foot.**

**3. While the needle is in the down position, pivot fabric to sew around corner and continue sewing the cording to the next corner and repeat on the remaining corners to frame the photo.**

**4. Press the cording towards the back of the photo.**

**5. Place the photo on the center of the pillow fabric. Measure all 4 edges to insure it is placed in the center.**

**7. Pin the photo in place. Attach the photo by stitching in the ditch. (Stitch between the edge of the photo and the decorative inside edge of the trim cording).**

**Viola?! Your photo is stitched to the pillow front!**
