Ring Lock™

Ring Lock™ (patented) Assembly Directions

Ring Lock™ (patented):

- You will be making your shade by putting your rings from the bottom to the top @ 6"-8" apart.
- Tie cords on last ring at the bottom hem

- Place the Ring Lock™ over the ring, then run the cord up through hole of Ring Lock™. Be sure to leave enough cord to run across top, through cord lock leaving a sufficient amount of operating cords available.

We recommend the following:

Use of 1.4 mm cord for the Safe-T-Shade® Ring Lock™ product for folds 8" or less.

The Consumer Product Safety Commission has reviewed product and found it to be NOT unsafe
